IGNORE JAP TREATY in such a way that something must be done. The Ambassador told Mr. Root that his people at home would misunderstand the situation, and he spoke of the feeling already aroused.

Japan's Right Affected.

Californians Violate Terms If the facts concerning the exclusion of children from the schools of San Francisco are as have been reported there seems to be no doubt that Japan's treaty rights have been affected. The treaty of AMBASSADOR FILES A PROTEST 1894 deals with the rights of citizens of NEW either contracting party in the territory of the other in its first article. It says

"The citizens or subjects of each of the They latend to Push Fight for the two high contracting parties shall have full liberty to enter, travel, or reside in any part of the territories of the other ration—Administration Placed in Embarrassing Situation by Affair.

might obtain the benefits of Germany's If the Postmaster General decides to might obtain the benefits of Germany's conventional rates of duty. As neither Secretary Root nor Baron Speck von Sternburg is a tariff expert, they have been forced to consider facts second-handed and to deal with conditions with which neither was especially familiar. For this reason it was recently decided to Director of the Bureau said yesterday of the stream of Sternburg is a tariff expert, they have employment to many persons in the gov-been forced to consider facts secondmembers of the board of education this afternoon. I'll put it up to them in that send a commission of tariff experts to the loss of the work would make it necmeet a similar commission of essary to lay these employes off for a MIX—On Wednesday, October 24, 1996, at her resexperts, while, but that they would probably be dence. ISIT Thirty-first street northwest. while, but that they would probably be given other work ultimately in the other

departments of the bureau. The bureau officials can give no reason for the lower bld of the American Bank Note Company save that it is able to get labor much cheaper than the government

It is estimated the bid of the American The document filed by Mr. Cardoza with it was found that he had disappeared. He accepted, will mean a saving of \$25,000 been seen around the town since. Though offices on the stamps is suggested for the

> said she knew that the cashier was still the same time help it in detecting any in the city, but the officers do not believe
> it. It has been discovered that Garside
> in the suburban stations of big cities paid out a lot of money after the bank endeavor to inflate their revenue figures

> pay roll of the bank, but Mrs. Foster, master whose sale of stamps is ordinarily Garside's stenographer, sent an equal around \$8,000 or \$9,000 seeks to get into sum to the examiner when the latter took the \$10,000 class by having members of big proceedings to obtain the money. So far authorities have been unable to find who stamps at his station for use in the city owned the bank, or who was president This boosts his figures, but the reven from the stamps sold him should right It appears that after the bank was found to be on the verge of collapse, the officials drew out and their interests stamp is marked with the name of the passed to unknown persons. A number

is the confusion that may arise in the minds of the people. It is feared it will The jury returning a verdict of not take too long to educate the public up guilty in the case of Preston Thornton, anywhere, no matter what station's name they bear.
